Ganja La Pass Trek is the most difficult and adventurous trekking package in the Langtang region. Located northwest of Kathmandu, Trekking in Langtang region is the closest option for trekkers. Being an underrated region of Nepal to go on a trek, Langtang region receives a handful of trekkers every year. Moreover, Ganja La Pass Trek 18 Days is among the less crowded trail in the region. If you are captivated by stunning glaciers, breath-taking views of snow-capped Himalayan mountains, and surreal landscape, then opt for Ganja La Pass Trek.

Following the quaint trail of Helambu crossing frozen Ganja La Pass, you traverse the region looking at pristine and unspoiled nature. The trail passes through picturesque villages, majestic waterfalls, and lush forests of rhododendron, bamboo, fir, juniper, etc. Ganja La Pass Trek offers rich culture, tradition, and lifestyle of Tamangs, Sherpas, and Gurungs. People here are believed to be the descendants of Tibetans, therefore most of their practices, language, festivals, delicacies, and architecture are similar to them. On the way, you will uncover many ancient monasteries and stupas.
