Kanchenjunga Base Camp Trek is one of the most adventurous trekking journeys to explore unspoiled nature and pristine scenery. Kanchenjunga region is extremely isolated and thriving in the same hundreds of years old culture and lifestyle. The terrain, flora, fauna, and locals here, unlike any other place. Kanchenjunga Base Camp Trekking will take you to the eastern part of Nepal close to India and Tibet border. This trek leads to the base of the world's third highest mountain, Mt. Kanchenjunga (8,586 m). During the trek, you get to witness wonderful landscapes and stunning views of the Himalayas. The trail is less crowded and quaint. You will have a solid time with yourself.

Kanchenjunga is also known as, Five Great Treasures of the Snow that represents Gold, Silver, Precious Stones, Grain, and Holy Scriptures. This mountain has a huge religious belief and believed to be the abode of deities. During the Kanchenjunga Base Camp Trek, you trek through tropical forests of oak, rhododendron, chestnuts, etc. The trail also passes through a lovely village, where you get to see the rich culture and lifestyle of the

people Rai community. Moreover, villages here are also influenced by Tibetan culture and lifestyle. The trail offers ancient monasteries and stupas.
