Officially opened in 2012, Mardi Himal Trekking is still an unspoiled part of the Annapurna Region. Located in the east of a very famous trekking trail of Nepal, Annapurna Base Camp, Mardi Himal Trek is a marvelous journey. This trek offers off-the-beaten trekking experience without going far away to the most secluded parts of Nepal. The trail traverses beneath the virgin Mt. Machhapuchhre and goes through several dense forests, crossing rushing Himalayan rivers and picturesque villages. Mardi Himal Trek 12 Days offers breath-taking scenery and stunning views of the Himalayas.

We have designed the Mardi Himal Trek itinerary including a lovely village rich in cultural heritage. During your stay in these villages, you get to experience the rich culture and tradition of locals. People from communities like Rai, Limbu, Gurung, etc reside here. You get to look into their daily lifestyle. Overall, Mardi Himal Trek is a perfect package that offers a blend of adventure and experience in one go. As you will walk along the chain of green hills, the tranquil environment will confer a sense of peace in your mind and heart.

Mardi Himal Trek is a short 12 days venture. If you are someone with tight on time, and couldn't bear to go on long trekking than this trek is an ideal option for you. In a short period of time, you get to witness tempting beauty of Himalayas, get to see the spectacular landscape, walk on the trodden trail, and spend time observing ancient practices. Moreover, upon reaching the Mardi Himal Base Camp also known as the Upper Viewpoint, you get to see a glorious sunrise.
