Saribung Trek is a difficult trek that traverses Upper Mustang areas along with unspoiled Nar and Phu Valley. Saribung Trekking is a newly discovered trekking route that crosses challenging Saribung Pass (5,600 m), which is one of the highest passes in Nepal. The trail to the pass is surely not easy, but the views you will get to see from the top of this pass is truly rewarding. Saribung Trek 25 Days offers off-the-beaten trekking experience. If you are someone looking for something new in the Himalayas, then go on Saribung Pass Trek. Far away from your home amidst nature and snow-capped massifs, this trip will be the best trip of your life.

Saribung Trek 25 Days begins with a scenic flight from Kathmandu to Jomsom. From here, you trek through picturesque villages and reach Lo Manthang, the famous hidden kingdom. Here, you will get to see the rich culture and lifestyle of the locals. During your stay in this village, you will explore ancient monasteries, many chortens, and mani walls. This part of Nepal has a huge influence on Tibetan cultural heritage, therefore you will find many similarities to them. Likewise, you will get to see stunning landscape and Himalayan mountain views throughout the venture.

Saribung Pass Trek will take you to Luri Gumba. It is a very old monastery. Similarly, you will also get to explore Damodar Kunda, a very religious site of Hindus. Many pilgrims visit this holy lake every year to worship. The adventure doesn't end here, as you will be heading towards Nar village and Phu village. These two are the hidden villages in the Annapurna region, where only a few get to traverse every year.
